塔利

THALI

在印度、若要找一道色香味觸俱全的美食、那絕對非塔利(Thali)莫屬。Thali通常包括了米飯或麵包、以及咖哩、蔬菜、豆類、酸奶、泡菜、酸辣醬和美味的甜點；可隨意混搭各種味型可能性、看似複雜卻又結構清晰。印度幅員遼闊、文化多元、宗教繁多、Thali 的組合亦因而變化萬千。

A thali, meaning "plate," is an Indian culinary tradition that showcases a harmonious medley of flavors, textures, and nutrients. Typically, a thali encompasses fragrant rice or bread, accompanied by an assortment of small bowls filled with curries, vegetables, lentils, yogurt, pickles, chutneys, and delectable sweets. The composition of a thali can vary depending on the region and establishment, making it a cherished method of savoring the rich tapestry of Indian cuisine in a singular, all-encompassing feast.
